Re: Your Grievance

In regards to your three day safety suspension:

I have processed your grievance to the GM Level of the grievance procedure. The GM has denied your grievance. Based on the evidence you presented with your grievance and my investigation, I have determined we can not prevail with your grievance at the next level. In accordance with Section 27c of the Local Union By-Laws you have the right to appeal this decision to the President/BA of Local 589.

Section 27c: "When a grievance is determined to be, either by the Delegate or the Executive Board, non-sustainable or without merit, a letter shall be sent to the member at their address of record with the union. Such notification shall be sent by U.S. First Class Mail, informing the member of such a determination. The member shall have the right to appeal such determination to the President/Business Agent. Such right of appeal shall be required by the member to be in form of a letter to the Recording Secretary of the union and must be received by the union within Thirty (30) calendar days from the day next following the date such a notification was sent to the member. Further, the letter of appeal sent by the member is required to be sent by U.S. Postal Certified Mail, return registered receipt requested".
